PARTIES AND APPLICATION OF LICENCE

This licence agreement (**Licence**) is a legal agreement between you (**Licensee** or **you**) and Prior Scientific Instruments Ltd., a company registered in England and Wales, whose registered address is 3-4 Fielding Industrial Estate, Wilbraham Road, Fulbourn, Cambridge CB21 5ET, United Kingdom (**Prior UK**), Prior Scientific, Inc., a Massachusetts corporation whose registered address is 80 Reservoir Park Drive, Rockland, MA 02370, USA (**Prior US**), or such other entity related to Prior UK and/or Prior US by whom the applicable Product (defined below) was manufactured or originally supplied (**Licensor, us** or **we**).

This Licence governs your use of any and all software proprietary to Licensor or any entity related to Licensor that is embedded in or otherwise supplied with or for use with any product manufactured or originally supplied by Licensor (**Software**). It applies regardless whether you purchased or otherwise obtained the applicable Product directly from Licensor, or through one or more intermediaries.

This Licence also governs your use of any and all documents, in whatever form, supplied to you or obtained by you that relate to the Software (**Documents**).

We license use of the Software and Documents to you on the basis of this Licence. We do not sell the Software or Documents to you. We remain the owners of the Software and Documents at all times.

You should print a copy of this Licence for future reference.

1. GRANT AND SCOPE OF LICENCE

1.1 In consideration of you agreeing to abide by the terms of this Licence, we grant to you a non-exclusive licence to use the Software and the Documents on the terms of this Licence.

1.2 The Software is provided for use on or with the applicable Product only, and only for the purpose for which such Product was designed by Licensor. You must not use the Software, or permit or allow any person to use the Software, for any other purpose.

1.3 You may, as reasonably required for the purpose described in condition 1.2:

1.3.1 download and install the Software, if and to the extent it is not already embedded in or installed on the applicable Product;

1.3.2 combine the Software with or incorporate the Software into other programs;

1.3.3 provided you comply with the provisions in condition 2, make a reasonable number of copies of the Software for back-up purposes only;

1.3.4 receive and use any free supplementary software code or update of the Software incorporating “patches” and corrections of errors as may be provided by us from time to time, if any; and

1.3.5 use any Documents in support of the use of the Software permitted under this Licence and make such copies of the Documents as are reasonably necessary for such use.

2. RESTRICTIONS

2.1 Except as expressly set out in this Licence or as permitted by any local law, you undertake:

2.1.1 not to copy the Software or Documents except where such copying is incidental to normal use of the Software, or where it is necessary for the purpose of back-up or operational security;

2.1.2 not to rent, lease, sub-license, loan, translate, merge, adapt, vary or modify the Software or Documents. However, if you sell or otherwise transfer the applicable Product, the person to whom you sell or otherwise transfer the Product will automatically be permitted to use the Software and Documents on the terms of this Licence, which will then apply between us and them;

2.1.3 not to make alterations to, or modifications of, the whole or any part of the Software, nor permit the Software or any part of it to be combined with, or become incorporated in, any other programs except as expressly permitted in condition 1.3.2;

2.1.4 not to disassemble, decompile, reverse-engineer or create derivative works based on the whole or any part of the Software nor attempt to do any such thing except to the extent that (by virtue of section 296A of the Copyright, Designs and Patents Act 1988, or other similar laws) such actions cannot be prohibited because they are essential for the purpose of achieving inter-operability of the Software with another software program, and provided that the information obtained by you during such activities:

2.1.4.1 is used only for the purpose of achieving inter-operability of the Software with another software program; and

2.1.4.2 is not unnecessarily disclosed or communicated without our prior written consent to any third party; and

2.1.4.3 is not used to create any software which is substantially similar to the Software;

2.1.5 to keep all copies of the Software secure and to maintain accurate and up-to-date records of the number and locations of all copies of the Software;

2.1.6 to supervise and control use of the Software and ensure that the Software is used by your employees and representatives in accordance with the terms of this Licence;

2.1.7 to include our copyright notice (in the form provided by us) on all entire and partial copies you make of the Software on any medium; and

2.1.8 not to provide or otherwise make available the Software in whole or in part (including but not limited to program listings, object and source program listings, object code and source code), in any form to any person other than your employees and representatives using the applicable Product without prior written consent from us.

3. INTELLECTUAL PROPERTY RIGHTS

3.1 You acknowledge that all intellectual property rights in the Software and the Documents anywhere in the world belong to us, that rights in the Software are licensed (not sold) to you, and

that you have no rights in, or to, the Software or the Documents other than the right to use them in accordance with the terms of this Licence.

3.2 You acknowledge that you have no right to have access to the Software in source code form.

4. **TERMINATION**

4.1 We may terminate this Licence by written notice to you having immediate effect if you commit a material or persistent breach of this Licence which you fail to remedy (if remediable) within 14 days after the service of written notice requiring you to do so.

4.2 On termination for any reason:

4.2.1 all rights granted to you under this Licence shall cease;

4.2.2 you must immediately cease all activities authorised by this Licence; and

4.2.3 you must immediately and permanently delete or remove the Software from all Products and computer equipment in your possession, and immediately destroy or return to us (at our option) all copies of the Software and Documents then in your possession, custody or control, and certify to us that you have done these things.

5. **COMMUNICATIONS BETWEEN US**

5.1 We may update the terms of this Licence at any time on notice to you in accordance with this condition 5. Your continued use of the Software and Documents following the deemed receipt and service of the applicable notice under condition 5.2 shall constitute your acceptance of the terms of this Licence, as varied. If you do not wish to accept the terms of the Licence (as varied) you must immediately stop using the Software and Documents on the deemed receipt and service of the notice.

5.2 Any notice given by us to you will be deemed received and properly served 24 hours after it is first posted on our website, 24 hours after an email is sent, or three days after the date of posting of any letter.

5.3 In proving the service of any notice, it will be sufficient to prove, in the case of posting on our website, that the website was generally accessible to the public for a period of 24 hours after the first posting of the notice; in the case of a letter, that such letter was properly addressed, stamped and placed in the post to the address of the recipient given for these purposes; and, in the case of an email, that such email was sent to the email address of the recipient given for these purposes.

6. **OTHER TERMS**

6.1 We may transfer our rights and obligations under this Licence to another organisation, but this will not affect your rights or our obligations under this Licence.

6.2 You may only transfer your rights or your obligations under this Licence to another person to whom you transfer the applicable Product.

6.3 This Licence constitutes the entire agreement between us concerning your use of the Software and Documents and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between us, whether written or oral, relating to such use.

6.4 If we fail to insist that you perform any of your obligations under this Licence, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing signed by us, and that will not mean that we will automatically waive any later default by you.

6.5 Each of the conditions of this Licence operates separately. If any court or competent authority decides that any of them are unlawful or unenforceable, the remaining conditions will remain in full force and effect.

6.6 This Licence, its subject matter and its formation (and any non-contractual disputes or claims) are governed by English law. We both irrevocably agree to the exclusive jurisdiction of the courts of England and Wales.
